

Free and Reduced Meal Application FAQs

Application Completion Tips

What measures can I take to expedite my applications approval?

- Use **BLACK** or **BLUE** ink
- **Print Clearly**
- Use your student's name as it appears on their Birth Certificate
- List all Other Household Members
- Fill in the last 4 digits of the Social Security Number for the signer or write "NONE"
- **SIGNATURE IS REQUIRED**
- Foster Child may be completed on separate form, however, a regulation now states that Foster Children may be included in the household application as part of the household size.

Do I need to fill out an application for each child?

No. Complete one application for all students in your household. We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to the Nutrition Services Office, the School Office or the School Cafeteria Manager.

Who can receive free meals?

There are several ways that your children may be eligible for meals free of charge: Your child can get free meals if your household income is within the free limits on the Federal Income Guidelines.

Another way is through "categorical eligibility". If one member of your household is currently receiving assistance (benefits) from qualifying Programs, **all** children in the household are eligible for free meals. (Remember, a household is defined as "...a group of related or non-related individuals, who are not residents of an institution or boarding house, but who are living as one economic unit."

Foster children are categorically eligible for free meal benefits. You need to fill out an application. However, a change in the 2011-12 regulations states that Foster children may be included in the household application as part of the household size.

Have the eligibility guidelines changed from last school year?

Yes the eligibility guidelines have changed from last year and you do need to fill out a new application if you feel you still qualify for the meal benefits.

Can homeless, runaway and migrant children get free meals?

Yes. Other categorically eligible children are those who meet the definition of “migrant, homeless, or runaway”, or who are enrolled in a federally-funded Head Start Center. If you are a homeless, runaway or migrant child, please call Child Welfare & Attendance Office at (951) 506-7060 for assistance.

I got a letter saying my children are approved for free meals for this school year. Should I fill out an application?

All applications **MUST** be renewed every new school year. Please carefully read the letter you received and follow the instructions. Call the Nutrition Services Dept. if you have questions. If you received a letter for the *current* school year, then *no*, you do not have to fill out a new application. (Just make sure that all of your children are listed on the letter as being eligible to receive free meals.)

Who can receive Reduced Price meals?

Your child can receive low cost meals if your household income is within the reduced price limits on the Eligibility Guidelines. Please fill out an application.

I receive WIC (Women, Infants and Children) benefits. Can my child get free meals?

Children in households participating in WIC may be eligible for reduced price or free meals. Please fill out an application.

Will the information I give be checked?

Yes, we may ask you to send written proof of the information you give.

If I don't qualify now, may I apply later?

You may apply at any time during the school year.

What if I disagree with a decision regarding the application or result of the verification?

You may discuss it with the Nutrition Services Office at (951) 506-7919. You also have the right to a fair hearing. A fair hearing may be requested by calling or writing the following district official: Assistant Superintendent, Business Support Services.

Who should I include as members of my household?

Include yourself, all children who live with you and all other people living in your household, related or not (such as grandparents, other relatives, or friends) who share income and living expenses.

What if my income is not always the same?

Please contact the Nutrition Services Department for further instructions. Normally you will list the amount that you normally receive BEFORE deductions. For example, if you normally receive \$1,000 each month, but you missed some work last month and only got \$900, put down that you get \$1,000 per month. If you are normally paid for overtime, include it.

Are applications available in other languages?

Applications are available in English and Spanish.

Why is it necessary to use the same name as it appears on the Birth Certificate?

Since the School District uses the birth date and name information from the Birth Certificate for all school records. The only way the application can be validated is by using the same information. Clearly, nicknames and family abbreviations will slow down the application process.

Why do you list All Other Household Members?

The consideration for approval of an application is based income and the number of household members. Therefore, it is required to list all members of the household.

Why do I need to fill out Social Security Number and sign the application?

These two sections are required fields and it is very important that these sections be completed. If this information is not completed, **the application will be returned to the applicant**. However, a change in requirements now only requires the last four digits of the social security number for the adult signing the application needs to be listed rather than the entire social security number.

If I have more than one student going to school in the School District do I need to fill out more than one application?

No, only complete ONE APPLICATION PER HOUSEHOLD.

If I have a student living at home that goes to a private school, charter school, or Pre-K school, should I include them on the application?

Yes, include them as Other Household Members at the bottom of the form.

Direct Certification

What is Direct Certification?

Under direct certification, school districts use information from the State Social Service Department to certify children to receive free meals. To qualify, the children's families must receive assistance from appropriate programs.

How do you know if your Student is Direct Certified?

Direct Certification Letters are sent to the homes of pre-approved students.

If one student is Direct Certified, in a household, are the remaining students also Direct Certified?

Yes. You need to make sure that all of your children are listed on the letter as being eligible to receive free meals. If a child is not listed on the letter, contact the Nutrition Services Office at (951) 506-7919.
