

Nutrition Services **UPDATE**

Starting Monday, March 15th we are required to scan student barcodes and/or student ID cards for every meal kit served.

PLEASE MAKE SURE YOU BRING YOUR BARCODE AND/OR STUDENT(S) ID TO PICK UP MEALS

Details

When: Serving from 11 am — 1pm

Where: All 6 TVUSD Middle School Locations (*addresses on our website*)

What: Meal packs will include 7 breakfasts, 7 lunches, a variety of fruits and vegetables, milk & juice for the week.

FAQ

What if I don't have my student(s) barcode/ID?

When you arrive to pickup meals, notify our staff you do not have your barcode/student ID. They will look to see if they have one available for you. If not they will write down your students first & last name, grade, and school site they attend. Then the following week they will have a barcode for you to pickup and bring with you each time you pick up meals

What if I pick up meals for a non-enrolled TVUSD sibling?

We will continue serving non-enrolled TVUSD siblings as long as the sibling is present with you when you come to pick up meals

Disclaimer: The meals we serve on Monday's are intended to provide breakfast and lunch for a full week. Students participating in hybrid learning should consume meals prior to arriving on campus. For students enrolled in child care or who will remain on campus after in-person learning is complete, please pack your breakfast and/or lunch from home. Emergency meals will be available for students who forget their meals however, those meals can not be provided for free.
